I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Yes I can get you Italian loads.

If you are using a loader, then you are selling Installs and NOT loads.

Only, traffic on exploit kits can provide you Loads of high quality.

My Exploit rigs are custom which I won't display publicly,
