Thread: [REQUEST ME YOUR OPENBULLET CONFIG](#)

Garslaxiste - April 2, 2024, 8:34 am

Hello ! I'm old Sentry MBA user (I've done some famous config for first, like PayPal or Netflix, or PH Premium), I wan't to refresh my abilitys ask me some request to do, and if there are professional config maker, i would like to know the new 2024 methods to bypass ReCaptcha, thx <3

msrobar - April 8, 2024, 3:11 am

where is that config ????

getrumz - June 1, 2024, 3:33 am

you can email [deleted] [warn] [warn]

make one for rec.net

if it works can you send it to me thanks lol

look forward to hearing from you!

Thx ?
And for captcha you would need to pay for a solver, using their api.
