Jamika - April 2, 2024, 9:11 am

Hello everyone

[Charlie Sheen](#) definitely. No offense to other staff, yall are great, but Charlie has been there for me through a rough period and I will always appreciate that.

[Stanley](#)

Praise be to Stanley, who giveth and taketh away. These are my flips, may he bless my flips and curse the flips of those who would flip against me.

Otherwise, it'd be a tough tie between [Charlie Sheen](#) and [Bastille](#).

All 3 of the current staff members are great. I've had the pleasure of some good convos and general interaction with both Genuine and Charlie. Not so much with Yseurk, but based on all I've seen and the little we have interacted, he seems like a great person and fit for staff too ?

That's my pick now.

They're all very cool. But I'll have to give mine to Yseurk. Hes always very positive, helpful, and makes his posts very clear. I just like him/her. :)

Haven't interacted with him much myself, but I see multiple others saying lots of great things about him so it's no wonder he was chosen for staff in the first place. The interactions I have had have of course been good though too ?
