Thread: [Simple CrackMe Challenge \(x64, Windows\)](#)

Klonopin - April 4, 2024, 9:02 pm

CrackMe Challenge!

x64 on Windows.

Join the fun, test your reverse engineer skills, and find the flag (password)!

[VirusTotal](#) ~ [Download](#)

ttbr0 - April 4, 2024, 11:30 pm

thanks for the challenge

DynamicW - April 30, 2024, 11:53 am

this is probably just malware ngl

DynamicW - May 1, 2024, 12:53 pm

The amount of people spreading malware on hf is crazy ngl

Klonopin - May 3, 2024, 6:41 pm

I've looked at my PM and its incorrect.

There's no secret message—just a hidden flag/password.

Don't give up though :) feel free to dm me and I'll give you a hint.

hmm. idk why i got that bunch of chars tho lol.

I'll try again tomorrow.
