Hello,

Thanks for hosting this contest ! I'll go for the Cup or the Ace as I don't have them.

I like to learn hacking and cybersecurity stuff, I wish I had more time to explore other fields such as programming, RE, and so on. Otherwise I like to spend my time in the White Hat section helping other members for cybersecurity questions or malware removal.

Good luck everyone !

Deany - April 4, 2024, 10:39 pm

Can I still join even if I got all 3 ?

What is your favorite anime if you don't mind? I like animated stuff but I never got into a bunch of anime. I've seen Sword Art Online the first one, A bit of Naruto.

Of course I've seen Dragon ball, and DBZ, but not like the newer anime stuff. Thanks! ?

Giving a single anime the favorite title is very tough for someone like me. However, if I am forced to make a choice, I would go with Trigun (the old one, not the reboot). I only recommend it to seasoned anime fans. For you, I think the newest craze, "Frieren: Beyond Journey's End" is a must watch. This one dethroned FMA: Brotherhood from MAL as the top rated anime of all time. Give it a watch when you can. You wont regret it if you watch through a couple of episodes.

Mooooookie - April 6, 2024, 11:29 am

OP has been quick loved. Thanks for the opportunity, it's appreciated.

What do I like to do? I like to come up with new monetizing techniques, as well coming up with unique traffic generation strategies. It's a hobby that I've done for sometime, that I get enjoyment from.
