[About]

JOKER MIX BASES is a continuously replenished cloud of databases containing material in formats such as url;log;pass, email;pass, number;pass, log;pass, and other materials (leaks from various companies and organizations, accounts and keys for various services, and so on).

All the material is sourced from private/invite-only forums (not from other sellers' clouds or databases).

Thanks to us, you gain access to premium-level material for a small, one-time fee.

Upon purchase, you receive lifetime access to the cloud, with no need for any additional payments. We will assist you, answer all your questions, and provide necessary tools to facilitate your work with the material.

[Rules]

1.0. We cannot offer a 100% guarantee on return on investment, however, we will assist you at every stage, but much also depends on you.

1.1. I am not responsible for this material and its validity. First and foremost, you should understand that access to this material is not exclusive to you alone. However, this material is very difficult to come by in public access or may not be available at all (depending on the source).

2.0. The service does not provide for refunds after payment; by making a payment, you automatically agree to all the service's rules (only in extremely rare cases).

2.1. We reserve the right to refuse sale to you without explaining the reason.

2.2. Misleading the seller or technical support, any attempt at deception will result in a refusal to provide any assistance or sale, up to and including being blacklisted by the service.

3.0. For leaking or reselling any information provided in the private cloud chat, as well as information provided in the bot to subscribed users - Complete loss of access to the cloud without the possibility of repurchase (being blacklisted), and depending on the damage caused - initiation of arbitration.

We strongly recommend saving your transaction information immediately after payment in case of loss of access to Telegram.

To avoid such situations, we recommend conducting the transaction within the forum.

We agree to transactions with guarant (only guarant from this forum).
The cost of guarant services is your responsibility.

AVOID THIS SELLER! I paid him the full amount and was given empty promises for two weeks until he eventually added me to the logs service, which was pointless as he loaded a few logs over 3 days and its now been over a week and he hasn't loaded any logs and does not respond to messages.
