Thread: [500 Bytes Coinflip Entry | Gamblers | Official Group | Animated Userbar / Stars](#)

StuffSneak - April 8, 2024, 5:55 am

Very simple.

Convo any leader, donate 500 bytes to them, then go to the main HF Convo. Type either 1 or 2, and then the leader will type "/roll 1:2", if it rolls the number you said then you will be added to the group.

If it is not the number you said then you get nothing. No refunds will be given. Ever.

All members will be removed every 3 months.

Next Members Purge Day: 1st July 2024

No one except leaders will remain after those days but you are welcome to rejoin using the 500 byte coin flip entry.

Group Leaders in alphabetical order:

[mention=5051324]

[Immortal](#)

[Lavish Living](#)

[N](#)

Select any one who is active/online & go for it!

If you fail, you can go again till you get in. 500 Bytes Coinflip every time.

Notes:Coinflip members are not allowed to use [Gamblers] prefix/tag for their threads directly.

Follow all group & general HF rules.

You can be kicked from the group at any leaders discretion if they seem fit.

You can be kicked from group if you have active deal dispute.

Eight is impressively bad luck, lol.

Good luck boys, cool to see a unique concept for group recruitment!

SIM-2501407 - April 11, 2024, 6:47 am

How about I double down with 250 bytes like a true gambler? All or nothing.

I want Nero to feel even sadder if i hit both flips.

update: i have now lost all the bytes to BJ again. GG go next.

Cool way of hosting a recruitment for the "Gamblers" group, actually putting the group name to a good use. I like it ?

Best of luck to everyone who participates!

Very on brand OG recruitment trial. Glad to see Gamblers is still going strong after the years.

Stanley - July 15, 2024, 12:12 am

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,

Stanley
