OK. No worries. Just trying to help. :)

I saw your contract for "Discord Nitro + TG Premium Yearly for \$70" but I didn't ask for that and don't use Telegram.

Yeah 10,000 instagram followers is what we sell on the website, you can PM me for a custom order. Upgrades are yearly, however we have Spotify, Adobe, VPN accounts as lifetime upgrades.

My profile says don't deal off-site for a reason. I've got Discord, FB, TG, and Skype impersonators. I'm flattered, honestly.

Looking for a Netflix upgrade and not clear on duration and price. Thought I should also mention that you're multi-posting to bump your thread in violation of the HF rules.
