[Beherit](#) don't forget to drink your water

Beherit - April 19, 2024, 1:09 pm

May you stay hydrated and blessed on this fine day.

gwiz - April 19, 2024, 1:26 pm

I drink plenty of water on the daily.

Great reminder to everyone else though.

diiiaz - April 19, 2024, 2:13 pm

thanks for the reminder big man

Thanks for the reminder. Drinking water is actually important, and alot of don't drink enough water daily. I remember in my 20s, going to the hospital because I was too dehydrated... my damn muscles started to lock up. Shit was crazy. Not something you want to go thru.... drink that water!!
