Thread: [what did disney do to star wars](#)

frostsurge - April 20, 2024, 11:26 pm

hey there HF

I haven't actually watched a whole lot of star wars myself but im curious as to what disney did to supposedly ruin it cuz ive been living under a rock

Bastille - April 20, 2024, 11:30 pm

Just heard about a new videogames "Star Wars : Outlaws" that received a lot of critics from people, probably because of wokisme stuff included in the game and because of Ubisoft.

I know that Disney was into this woke vibe but they realized that they were loosing money because people tended to be against this in every of their movie.

so they ruined it by pandering to the alphabet soup community?

Yeah, I'm not that much into Star Wars but the last I really liked was Rogue One
