So basically this whole thread is just one big advertisement shit show? Nice.

The Director - May 8, 2024, 12:52 am

It's a work in progress as anything is.

That's fair, but I just feel like this thread could have been done WAY better, even while still being really simple / bare if you chose to drop it prior to it being more full and finished. Surely you see what I mean though right? It just looks like a big jumbled mess of adverts. Not appealing whatsoever.
