Thread: [Which Disney / Pixar movie is your favourite?](#)

InspectorGadget - April 28, 2024, 10:15 pm

For me it's Monsters Inc, it's my go to movie for when I get that early Pixar itch.

Just behind that are Toy Story 1 and 2.

I do love Bugs Life, but don't to rewatch it very often. WALL-E legit made me cry at like 12 years old towards the end man!

There are honestly way too many to choose a favorite of them all. Baymax I recently watched with my girlfriend and it was a fantastic movie :)

Mine is Meet the Robinsons. Lol. Damn, I feel like I am too old for this thread. Hahahaha.

A favorite of mine would have to be A Bug's Life or Toy Story.

Monsters Inc was great. I'm with you, Toy Story 1 is a close second.

Not a big Disney movie fan, but I did enjoy Toy Story! I remember taking my niece to the movie theaters to see both parts 1 and 2. They put in a lot of work for that movie, and it came out great. Graphics are on point. Story line is good. Just an overall good production.

Toy Story is really cool, one of my favorites.

Purga - April 29, 2024, 2:09 pm

The original toy story is the best.

Lion King definitely has its place, for me personally, Pixar beats out Disney (even though they are one in the same now) but damn I JUST CAN'T WAIT TO BE KIIIIIIINNGGGG!

DemonAsylum - April 30, 2024, 1:36 am

First Toy Story do be hitting different for me I think.

Totally forgot about Lion King!

Beherit - April 30, 2024, 6:05 am

I don't think anything tops The Lion King. From Pixar, Monsters, Inc was another favorite of mine.

LTC - April 30, 2024, 6:36 am

I gotta say they are all good but Cars is one of the best

Lion King is a good choice for sure. Another W classic alongside Toy Story which is a fav for me.
