Thread: [What group stands out the most](#)

**Perfect** - April 29, 2024, 8:39 pm

What's good HF, I'm sure most have found a home but I'm speaking to those who don't. What group absolutely peaks your interest the most on here ?

I've decided to throw my hat into the ring for Fallen, Pink, and Benevolence – aiming high or what? I'm open to anything that'll give our community a turbo boost! As one of the OGs around here, it's a blast seeing both the old guard and the fresh faces. Let's keep Hackforums hopping with laughter and good times!

None of them honestly. I don't think there has been 1 time using this forum where someone having a group under there name has influenced any choice I have made.

I miss 143, Maybe I am just too forgiving :D but to each, what was the one you entertained the most pre 2023?

I've always liked the look of Infamous, they have some very knowledgeable members from my experience.

What is the difference between a Group and a Crew?

I am a fan of a few groups.  
Depends on the question thought stands out due to reputation, control, design, influence or activity?  
  
Then there could be different winners for each

I haven't been in pink, but I'd say pink and benevolence are probably at the top atm
