Welcome Newcomers to Hack Forums!

Hey there, newcomers!

As you embark on your journey into the world of Hack Forums, I want to extend a warm welcome to each and every one of you. Here are a few friendly reminders to help you navigate this community safely and responsibly:

Read the [Help Docs](#): Before diving into any activities, take some time to familiarize yourself with the [Help Docs](#). They contain valuable information about forum rules, guidelines, and best practices.

Exercise Caution: When downloading anything from the internet, especially from unknown sources, exercise caution. Always scan files for malware and viruses before opening them.

Trust Scans: Bear in mind You have to have at least L33T status to use this setting *** Make it a habit to read Trust Scans before engaging in any transactions or dealings on Hack Forums. This can help you identify trustworthy members and avoid potential scams.

Don't be an Idiot: It may sound harsh, but it's important to use common sense and discretion when interacting with others and participating in discussions. Think twice before engaging in risky behavior or making impulsive decisions.

Remember, the Hack Forums community is here to support you and help you learn and grow. If you ever have any questions or need assistance, don't hesitate to reach out to fellow members or moderators. We're all in this together!

Please read all [Help Docs](#)

And don't be afraid to ask questions :)
