I redeemed a 3 month gamepass ultimate code last week, but if i purchase this 1 year code from you, will I be able to redeem and have 1 year and 3 month access?

Hey bro. You can stack up to 3 years' worth of Xbox ultimate codes all together.

Can the code be manually typed in on the Xbox (the link usually contains the raw code)?

If I purchase those now, how long would they be valid or do they have to be redeemed quickly?

TELUS?

Hey, yes they can be typed in manually on your Xbox and I provide a warranty with them as well. I am unsure how long you'll have before you need to redeem it.

Edit; Obviously if the code does not work, I will provide one that will work ?

Since I can re-sell quite a few of those, I am looking for someone who's able to supply them, so that sounds promising. Could you supply some information via PM?

Your time zone, approximate time for delivery, if applicable: wholesale pricing, the whole process

I shall contact you via convos. I'm not a huge fan of how long PMing takes back and forth

Interested! Sent you a PM

Hey mate, I'm sorry. I do not offer 1 month only. I only offer 1 year currently.

I still have gamepass til August. Will it work on an account that still has it?

No bro, you can't stack them unfortunately because it will show up as a "monthly" subscription, but it will auto renew every month. My honest opinion, is to create a new account, pick up a code and add it to your system. It's a great deal. ?

Ya it is but I need it on my account. So hopefully they're around when it expires.

So this will let you play EA/Ubi on PC and use XCloud to stream Xbox games?

Yes, you are able to download EA Play on your PC and play those games as well. I am not sure about XCloud though. ?

Forgot to leave a review, OP delivered a few codes that I needed, everything works perfectly and the communication is pleasant and straightforward. Can only recommend the service.

Hey.

Just added you on Discord.

BowlShit - May 28, 2024, 1:31 pm

Just got my subscription from Syndicate.

Went smoothly, great seller!
