Thread: [tele pyzw rce workaround](#)

OxzSEC - May 11, 2024, 1:55 pm

has anyone found a work around for the 1 click telegram pyzw gif exploit ?te

Absence - May 11, 2024, 2:02 pm

Are you seeking if there is another method to use telegram to launch python scripts? Or whatever the telegram exploit was?

It has been patched

<https://www.bitdefender.com/blog/hotforsecurity/telegram-patches-zero-day-python-script-vulnerability-in-windows-client/>
