Hello we are now selling Leads generated for your specific targets in your specific country. (NO CRYPTO INVESTMENT LEADS)

We are doing mostly Bonds and we have fixed price for different countries.

We start generate your leads AFTER u order, it will be fresh leads and not old leads that u will get.

What Info will u get with the leads ?

Name, surname, Email, Phone number, How much they want to invest, when they wanna invest, what % they want on their annual return.

Minimum order is 50 Leads.

Prices :

ALL EU COUNTRIES 50£ per lead.

AUSTRALIA 40£

SINGAPORE 40£

CHINA 50£

REST OF ASIA 40£

USA 50£

Escrow always available and only looking for long term partners.

We Guarantee our quality and have many long term partners ordering from us daily.

[Deleted] on telegram if any questions.

Sample how it comes.

B2C and B2B, price range goes from 50 - 150 normally so its not in the expensive range. We also

replace all bad data and have extremely good quality of our leads, Thats why our customers stay with us and not the cheaper shit lead, but thanks for good luck bro
