Thread: [Search Malware file for Wordpress Redirect](#)

Xorax - May 14, 2024, 11:53 pm

Hello Guys,

search a Malware file for a WordPress Website which redirect the Site to spam pages.

regards,

sweded - May 22, 2024, 3:52 pm

do you need the file or is your site infected? if the latter I can help.

Xorax - June 6, 2024, 2:36 am

i need the file for infecting a page
