The account has over 442 Legendary skins. To many too add a screenshots (I can show at request of protentional buyers)

Season 9, 10 ,11, 12 Master Badges, some animated!

Herlooms for Fuze, Rev, Bang, Wraith, Gibby, Octane, Lifeline

Prestige skins for Valk and Bang

Multiple 4k Badges, 20 bombs for various legends.

Exclusive Badges and skins. The account has so much on it it's far too much to fit into one thread.
