Thread: [2\\$ in Crypto for App Store Review](#)

dreexy99 - May 21, 2024, 1:52 am

Hi everyone,

I will pay 2\$ for a detailed 5-star App Store review.

- The review must come from a Real IP, Real Aged App Store account (not a new one).

If you are interested, please private message me, and I will share the details.

Thanks

Sweet deal! Ok here goes: I give the app store a 2 star rating just because of a bad experience I had. Please just give my \$2 to a homeless person. Cheers.

I'm not sure what experience you mentioned since I didn't even send you a PM with app details/URL, so I am wondering how you have had a bad experience with something that you don't know?

There's no need to try to ruin other people's threads, thanks.
