Whats one smell you can't get enough of? Could be a candle, a food, a fragrance such as cologne or perfume, etc? Mine personally is the smell of fresh cut grass. That shit smell like summer!

The smell of food being cooked on a barbecue, that shit makes me dribble! That smell when you walk into a bakery when they freshly prepare bread/pastry is also quite nice too!

Angeltears - May 26, 2024, 5:36 am

I prefer the smell of nothingness. If I had to choose, I'd rather lose my sense of smell than have to smell something constantly.
