I personally love peach flavored anything. Peach tea, peaches, peach vapes, peach everything! If you had to choose one flavor for anything, what would it be?

Deany - May 23, 2024, 8:30 pm

For some reason I really love pineapple flavor

Absence - May 23, 2024, 8:46 pm

Strawberry is my pick!

G?df?t?? - May 23, 2024, 10:05 pm

Vanilla. I'm just boring like that.

Same, if we're going really dessert like then strawberry cheesecake flavor. But strawberry in general is the best.

It kind of depends on what it is, honestly. Like if it's a sports drink, I like strawberry banana, or coconut.

Strawberry Fanta is my fav. Used to be fruit twist. I do love a bubblegum flavour ice cream / gelato.

Vanilla is my go to for a milkshake though.
