Thread: [Do you like potatoes boiled or fried?](#)

In fact, boiled is the healthiest, but fried is better in taste.

Jamika - May 28, 2024, 4:27 pm

Fried for sure, i think i mgy eat it as boiled only if iam sick and doctor ordered that

Pr0m3th3us - May 28, 2024, 4:34 pm

Oof that's a hard one, I love my grandmas recipe for mashed tators...but damn some whataburger French fries are awesome. I guess it depends on the main course?

Side note, my dad used to make "green mashed potatoes" when I was a kid, basically they are mashed potatoes with mashed boiled broccoli. Absolutely amazing.

banonkiel - May 28, 2024, 5:24 pm

Like both but fried on another level.

I love boiled potatoes. If anyone sends a potato recipe here I'll try it

Whatever the hell five guys potatoes are made from

Just@las - July 3, 2024, 5:43 pm

Definitely boiled. I love french fries, but I could literally eat mashed potatoes for breakfast, lunch, and dinner for at least a week straight. This might sound weird, but they taste better if you put steak sauce (a1) on them.

DemonAsylum - July 21, 2024, 8:53 pm

Both are great and each one goes better with different things, but I would do some kind of frying of some form of them versus boiled.

sharn - August 1, 2024, 2:03 pm

It depends on what you are cooking.

I often prefer the taste of fried potatoes ?

Yeah that's essentially what I had said. Both are great and go better with certain things so it depends on that. I lean towards some form of frying them though as well.

I think this might be the most delicious one, my friend! :)

Hayabusa63 - August 10, 2024, 12:58 pm

Well itq depends on my appetite, but i usualy like to mix my cooking methods to not get bored of some things too quick.

I think there is a time for boiled and fried, depending on what I feel like, I just love potatoes in general.

Mr_Kh4os - August 10, 2024, 7:31 pm

Fried is just too good to give up, so fried it is.

thrutl - August 13, 2024, 7:07 am

I usually make potato wedges throw them in a pot and boil them for a while, then when they start to get soft I throw them in the oven with a little oil sprayed over them and wait for them to get a good nice surface, usually a little crunch but not to much.

The Pact - October 15, 2024, 8:15 am

Any type of potatoes is good really. But if they are just boiled I might want to put mayo on them.

_SyncX404 - January 8, 2025, 7:05 pm

I like both but I prefer fried way more, you can add any sauce to it and it'll still be good.

Pr0m3th3us - January 8, 2025, 7:08 pm

I like both, but if i had to choose life or death im taking fried all day.
