Been wondering for a while what the situation is with this as it's been a couple of weeks now. Idk if you saw when Perfect announced the winner, but he said this:

"I'm going through a pretty rough time medically with an infection that's kinda breaching my attention off the internet so I do apologize for my lack of posting. I'm just trying to stay healthy.. but we will get this sorted when I wake up :)

Congrats Yanix"

So idk if things went south for him or something since as he hasn't been online at all, but seems possible. Hopefully all is well with him. In the meantime and since who knows when he'll be back, Omni could just take his Brony award and give it to Yanix. Seems fair and gets this settled. Then when Perfect comes back, if he was going to pay Omni for a separate one, he can just do that for himself to get it back if he wants or stay without it.

[Omniscient](#) He's reappeared on Telegram, but not the forum. So he's definitely alive. Would it make sense to transfer [Perfect](#)'s existing Brony Award to [Yanix](#) since he's already declared him as the winner? He can always buy it back once he's back on the forum.

I don't think this is a case of a fake giveaway, but there's not any reason we can't settle the giveaway now since he already declared the winner and has the award himself.

Unfortunate that Perfect isn't back yet and I hope everything ends up all good with him, but I'm glad to see the idea of simply transferring Perfect's award to Yanix was done. Congrats again! [Yanix](#)
