Thread: [Bytes Bonus Days](#)

Omniscient - May 28, 2024, 12:19 pm

Until Monday June 10th we're officially in Bytes Bonus Days.

Thread Creation 10->20 Bytes

Thread Reply 3->6 Bytes

And of course group multiplier still applies so those in L33t group are 1.5x and Ub3r is 2x. Thus someone Ub3r making a thread gets 40 Bytes.

Enjoy and get to posting.

40 bytes for a thread creation is pretty damn solid. Saw the advertisement for the 'bytes bonus days' but assumed it was just like 2x for everything. Guess this is a great opportunity for people to get their bytes up if they're low.

Lavish Living - May 29, 2024, 2:32 pm

Damn I gotta post more huh. Ty for this good sir
