mainly coding and social skill as im autistic :(

Domestos - May 29, 2024, 9:03 pm

I'd say writing code, I can read it, I understand it, I see the logic behind it, can't do it.

Airbrushing, want to get better at it

diablospartan - May 30, 2024, 12:42 am

Probably to be more disciplinated and not miss one single day to work for my online business

Avalanche - May 30, 2024, 12:59 am

Honestly, for me as well, I would say shuffling would be on top of the list
