And the winner is @grim@

HUM is now reset and open. Goes well with the Bonus Bytes Days.
A new HUM season is upon us! Anyone going to go hard for this one?

I'm thinking about it. Just need to get some eggs now.

YES! You should go and play the game, time for you guys to try it out and have your chance to get the HUM award and chance to win the next season of the HUM game. I am excited to see what lies ahead for the game and hoping to see more members and crews playing and enjoying the game.

It goes up, and goes down. It's all cyclical. I'll take them, but if you leave them, you should make them back eventually.

You don't lose until you sell.

I usually only bet 100 or 1k now. I lost a few 33k bets trying to get the football. That's still not too bad comparatively. Just, not had the best luck with it.
