Thread: [\[SELLING\] Adult Site with WP-Script Full Access + Domain + Hosting](#)

WE\$T\$IDE - June 2, 2024, 6:50 am

Hi guys, I'm selling my adult site including domain, hosting and the extensive WP script package including premium theme and premium plugins. Unfortunately, I underestimated the whole thing and I don't have enough time to continue running the website. It's a niche site. Unfortunately, my main job situation doesn't allow me to put a lot of time into it.

The following is included in the package:
Domain (.com)

Hosting (Adult Hosting, DMCA Friendly)

[Premium Themes](#)

[Premium Plugins](#)

Twitter/X Account with 215 Follower

Access to all the Affiliate Sites like BongoCash, JasminLive, GetsScoreCash

List of Themes:
RetroTube

KingTube

UltimaTube

KolorTube

FamousTube

VTube

TikSwipe

List of Plugins:
WPS Grabber (import thousands of Adult Videos from the best Tubes)

WPS YouTube Importer

WPS Mass Embedder

WPS Single Embedder

WPS Player (the most powerful Wordpress MP4 Video Player)

WPS Photos Downloader

WPS Checker (broken Links and Video checker)

WPS LiveJasmin (for importing Live Cams)

WPS Disclaimer (Age Verification Popup for WP with Advertising)

WPS Booster

WPS Cookie Consent

WPS AdBlocker Detector

WPS Paywall

Visitor Traffic Real Time Statistics Pro

WP Fastest Cache Premium

Yoast SEO Premium

Analytics:

Show the Traffic for the last 30 days:

The Theme and Plugin Access is for Lifetime.

Price for the whole Package is: \$300

You also show the URL here; I do not know if that is an issue. GLWS, [WE\\$TSIDE](#), but I
recommend you state what kind of porn site it is. lool
