you can check some articles or ask gpt but they'll give u generic answers like try selling old stuff, dropshipping, tutoring, etc. etc.
most free methods won't work and saturated anyways.

maybe try finding unique way on your own better. cuz in my experience most free methods i tried didn't work.

I will give you 50% share if you know and tell me

Hey, I've recently found this quick and easy exploitable method on the website Freecash, here's the link to my completely free guide.
