Thread: [Hiring for a long term Job](#)

Russian bear - June 3, 2024, 5:51 am

Im looking to hire someone for a job to do everyday for long-term no skills required , you only need a pc. 6 hours a day of work

pm me if you are interested

Update :

I still need one guy who can work
payment: 250\$ (can be raised later if good job is done)
2-4hours a day (everyday) no skip
a second monitor is recommended to be faster at work.
fast internet
fast learner
if you are willing to work with me pm me
I already hired many people and still have one spot left.
