Thread: [Habbo GBs/Classic Rares](#)

hostileonion - June 3, 2024, 8:37 am

Not interested in LTD's, only classic rares or gbs. You go first, or we use a on-site middleman.

yeah, its still fairly populated.

Chung - June 5, 2024, 6:43 am

I remember use to having loads of rares not knowing how much they could be worth. FML.

Im pretty sure all my accounts got hacked too or Habbo just straight up stole my acc and my rares.

Habbo had a data leak a while ago so a bunch of accounts without 2FA got hacked. You should still check though, the markets small but people definitely pay for the stuff.
