Thread: [Good Will Monday #14](#)

**Omniscient** - June 3, 2024, 9:02 am

Since 2010 we've officially had an HF Holiday called "Good Will Monday".

<https://hackforums.net/showthread.php?tid=466320>

Please take the time today to give positive Popularity to your fellow HF members. Let's spread cheer and good will across HF. Especially to new members.

As a nice option I have added "Good Will Monday" as a Popularity choice.

**illuminati?** - June 3, 2024, 9:04 am
