Thread: [Subreddit Traffic Sources?](#)

Net Hustler - June 11, 2024, 10:19 am

I was wondering if anyone has any good subreddits they use for traffic that they can share with me. I am currently investigating Reddit as a traffic source for getting leads to my Kik. If anyone knows any good subreddits, please let me know.

Thank you in advance ?

MOST subreddits are only worth it if you're buying upvotes and running a "suicide method".

You guys are using subreddit lists that literally won't get you anything lol. Just because it's NSFW means nothing
