Thread: [What movie do you recommend I watch on holiday?](#)

Portugals - June 15, 2024, 1:51 am

Hello, we have a long holiday here and which movies would you recommend to watch at night during this period? I'm open to every movie

Jeronim - June 17, 2024, 11:48 am

Consider Green Mile with Tom Hanks and Green Book by Viggo Mortensen. I mean, it just came in the top of my mind sincd I am looking at green grass now. LOL.

The second film, is amazing. Was hesitant to watch, but was worth it. Superb acting by Viggo.
