Thread: [cs2 commend for commend ?](#)

**uzi69** - June 17, 2024, 3:13 am

hey everyone lets do commend for commend

comment below your steam id and i will add u then we go in server and we commend each other ez

**DemonAsylum** - June 25, 2024, 10:42 pm

What does commending even do? Sorry, not a cs player whatsoever haha.

It does nothing just kind of a status thing, its a public thing too so when someone clicks on your cs2 account they can see how many commends you got. you only get commends for like good deeds, leadership etc

Is it like the badges you get for like 5 years, and 10 years?

Interesting, so what exactly is the appeal for it to do commend for commend?
