Take advantage of even the free picks he post everyday but make sure to upgrade, it's worth it!

So if you're looking at purchasing this service, even if you have no idea about sports or sportbetting for that matter, [SpiritualDose](#) is your guy. Huge vouch and I'll be sure to post some screenshots of my bets in the near future.

past 3 days I've been betting I've been winning gotten a lot of dubs and honestly I'd keep my membership running this is indeed the #1 HF sportsbook betting service would highly recommend to sports fans ?

(Dec 9, 2022 09:37 AM)killmenow Wrote: [\[CITE\]](#) First time I've ever purchased a membership to a betting group, always been sceptical.

OP definitely takes care picking his bets for the day, the discord is well laid out and easy to understand, and I've already made a nice bit of pocket change to keep me going towards christmas :)

Definitely recommend OP's service but always, ALWAYS remember... this is still gambling, and you may not have the same outcome as others.

(Dec 10, 2022 12:28 PM)Natha Wrote: [\[CITE\]](#) This honestly feels illegal, once again another huge shout out to [SpiritualDose](#) - if you're hesitate, this should put you at ease.

I started with a \$50 investment and I'm currently approaching \$380. I generally follow [SpiritualDose](#) money line picks which means a team win, I feel safer doing so, generally \$20 per bet and I normally follow between 2-5 calls each time, so between \$40-100.

[SpiritualDose](#) has also just started doing free picks in his Disc which will give you a little insight into how he does things. Feel free to join, obviously there's no obligations.

(Nov 28, 2022 05:07 PM)clean Wrote: [\[CITE\]](#) + vouching for this user offered me a vouch copy and i've received it, and won several bets. If you do dollar cost averaging, this isn't a bad gig at all!

(Dec 5, 2022 07:51 PM)Natha Wrote: [\[CITE\]](#) To add to my review, I'm in no way knowledgeable about any type of sports, I don't watch sports, never have, so my knowledge is zero. I have never sports bet in my life. These are all predictions from [SpiritualDose](#)

If this doesn't convince you, nothing will.

Get in there! :)

(Dec 12, 2022 02:04 PM)killmenow Wrote: [\[CITE\]](#) First time I've ever joined a betting group but I'm glad I did!

Currently doing small bets but OP definitely does some good thinking before posting his picks for the day, definitely recommend!

(Dec 1, 2022 03:01 PM)Rowa Wrote: [\[CITE\]](#) I received a Vouch Copy from OP. At first it didn't go great right away but of course that makes sense with gambling. After this OP shared multiple other bets after which I also won several bets.

Since I normally only bet on soccer, I did not know all the types of bets that were available or how it worked with bets on NBA/NFL. After this, I received an explanation from OP so that I immediately knew how the bets were put together.

Nice guy and very helpful. Definitely something to try once, who knows it might work out well. Thanks [SpiritualDose](#) :)

Nice to see you in the tipster world.

Got my vouch copy; I know for a fact Trappy has been in the sports betting game for a minute so i am eager to see the results.

Cheers.

I've been a member of this group for roughly a month now. Having an initial investment of \$300, I've been able to accumulate over \$2,700. The picks are top notch, and combined with general sports and gambling knowledge, the opportunities are endless.

I'm more so asking, do you guys do UFC picks at all? It doesn't seem like it, all I can see in the discord is a free picks channel with what I think is soccer.

Right on it would just kinda make sense to list what picks you offer you know. GLWS brother.
