Hi Dipu4u,

We're interested in your GSA backlink service, particularly given the premium quality you emphasize. At Obtain High, we are focused on enhancing our search engine visibility and driving substantial traffic to our site.

We are keen to understand how your service can specifically benefit our niche in the cannabis industry. Given your ability to accept various payment methods, it makes the process convenient, which we appreciate.

Could you provide more details on the type of backlinks you offer, their sources, and any successful case studies or reviews that highlight your effectiveness? Additionally, we're interested in understanding your approach to ensuring the longevity and safety of these backlinks in light of ever-evolving SEO algorithms.

We look forward to your response and potentially collaborating on a project to significantly boost our online presence.

Best regards,

ObtainHigh

Hi ObtainHigh

Thank you very much for your query. I am really happy to serve you myself as i main provider(admin) of backlinks and i am the one who make backlinks.

As far as the payment is concerned, I am able to accept crypto(usdt trc erc,btc,eth), skrill, UPI, IMPS, Indian bank transfer, Neteller, Paypal, Stripe (Payment link safe on stripe website where you can use any debit or credit card). So far i am able to accept these payment modes.

Regarding cannabis, I will try to get profile backlinks and comment backlinks more, It will increase your website visibility everywhere.

I may also try Social bookmarks, and contextual backlinks(links within text) Article and web 2.0 backlinks.

I will take an AI chatgpt article related to your website niche (here is cannabis) then spread it to over 250+ different websites with your website link in article and get live link.

Then after getting live link i will do social bookmarks and tier 2 gsa backlinks to help them index in search engines.

I can also make country targeted backlinks for example, if your website is in brazil and you all want backlinks from brazil websites only, i can do it on additional cost.

If you have any query or want to know payment ways or address Please do not forget to ping me a message on telegram @freelancer83 or skype james8324_1

On GSA i can make backlinks on all type of platform.

Review

I have taken the 55\$ SEO package.

The Seller told me it would take 6 weeks to index all the backlinks.

After those weeks have passed the backlinks where no wear near to what the seller sold. I've contacted the seller due to this and he promised to start listing backlinks again.

Unfortunately the seller has not backed up his promise and no backlinks have been added.

Sellers also isn't anwsering any messages.

Conclusion: Seller does not deliver on what he promises.
