Very cool , [Beherit](#) you want this ? Aren't you a gamer ?

RangoWorld - June 20, 2024, 11:27 am

Thanks for doing this OP

I have actually been wanting to play Starfield for so long. Unfortunately I don't have a gaming PC or Xbox. Thought maybe cloud gaming in GamePass Ultimate can help.

Yin Yang - June 20, 2024, 5:15 pm

I can actually use this too! Thanks for hosting

Stanley - June 22, 2024, 4:50 am

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
