PROOF OF EARNINGS -> JUNE 2024:

Frequently Asked Questions:

Spoiler ([Click to View](#))

Q. Is this method working worldwide?

A. Yes, this is tailored to suite most, if not everyone.

Q. Will this get saturated?

A. No, the methods are not able to be saturated due to the nature of them.

Q. What are the requirements?

A. An internet connection and a brain. 99% of my methods are even possible on a mobile device, so no computer necessary either.

Q. Do I need any special skills?

A. The methods are beginner friendly and no special skills are required.

Q. Do I need to invest?

A. With the main method, it's not necessary to invest (I never did), but if you want to work LESS and make MORE, then I recommend a small investment. Again, NOT NECESSARY TO MAKE \$8k a MONTH.

Q. Does the main method involve any of the following: Amazon, Gambling, Trading, Instagram, Facebook, AdWords, AdSense, YouTube, Craigslist, CPA, Surveys, RAT, Hacking, eWhoring?

A. No, all of the methods listed above are leaked, saturated, garbage methods.

Q. Why sell this if you're already making \$8k a month with it?

A. By having more people use my methods, it doesn't create any saturation/competition for me. So I can still continue to do my methods + sell the e-book and help more people.

maybe will good to give someone of bigger status here access for vouch copy because on this way you will not make any sale, or give some test idk

I will take a vouch copy if you're offering one in exchange for a in depth view of your method. Let me know. [warn]

Too bad you don't know what it will be about, but some stuff before to only find out it wasn't anything I was looking for. Could you tell a bit more about it in a DM?

miriamdeskter - March 11, 2025, 9:57 am

sounds interesting, does it still work?
