Thread: [300 ChatGPT Prompts | Marketing & Sales Related | Improve Campaign Performance](#)

Prawnster - June 25, 2024, 11:07 am

Hi guys!

This is a list of 300 or so ChatGPT prompts that I use on a regular basis when I get stuck writing ad copy, designing ad campaigns or when I'm just generally looking for inspiration.

With ChatGPT 4o you get some helpful returns from majority of these prompts and they can be very time saving.

Great for affiliate marketing, digital & physical product promotions and everything inbetween.

Hope this helps!

If you don't have enough bytes, make this your signature:

```

And then post below and I'll DM it to you :)

You can earn bytes by simply posting! You can also buy them (I'm selling Bytes for \$2.50 per 1000 Bytes) or win them from gambling etc.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
