Who are your Top 3 Favorite Artists/Rappers CURRENTLY.

I'm really curious to know, as I always like to expand my music catalog.

Mine are:

1. Meechy Darko (AKA MeechIsDead AKA LSDarko AKA The Dark One)
2. Lil Wayne (Use to be my favorite #1 for the longest time)
3. Ab-Soul (Very spiritually inclined Artist)

Please share your top 3.

Kendrick is certainly on my list. G.K.M.C is a legendary album.
