(Jul 2, 2024 05:44 PM)Money4life Wrote: [\[CITE\]](#) Been grinding and perfecting online stuff. After years of trying and failing. I finally perfected my ""method"". Now earnings are steady and I would have never been here if it was not for HF and all the craziness! Big shoutout to HF for getting me into this. Now I can actually related to the word passive income ?

Congrats OP on your journey, I hope it all grows more. Been there and that as well but still haven't found the right method for myself. I hope I have the path to enlightenment also. Lol. ?
