Thread: [Skill - Mailing list step-by-step](#)

lightduty - July 9, 2024, 10:15 am

- Open [deleted]
 - Download the combolists
 - Extract emails with Surf7 Email Extractor - <https://www.eel.surf7.net.my/>
 - Only require 500 emails from each combolist
 - 500 emails on gmail per submission daily
 - Build list from there
 - Add to a app
-
- Need search for more email services with custom compose link [warn]
