I didn't watch neither of them growing up, but I did have them as action figures, and if I remember correctly, the Spiderman one had more cool features with it.. like shooting the spider web from his wrist. Batman only had a cape. So Spiderman for the win.

diablospartan - July 11, 2024, 2:24 am

Deany - July 11, 2024, 4:19 am

I've never been big into all of the super hero stuff, but when I was a kid I want to say I was more into things for spiderman than I was batman.
