Thread: [39 EUR to 539 EUR guaranteed and up to 1 BTC from Robinhood for depositing 30 EUR \(EU\)](#)

Sotos - July 10, 2024, 1:21 pm

FOR THE REFERRAL LINK CLICK [HERE!](#)

What is the offer?

[Robinhood Crypto](#) has boosted its offer for new customers, as follows:

Guaranteed reward of €30 in BTC for depositing €30 and up to 1 BTC reward.

Additional €9 in crypto for completing four easy quizzes.

Guaranteed up to €500 10% bonus on net buys in the first 30 day.

What is Robinhood Crypto?

[Robinhood](#) has been founded in 2013 in Menlo Park, California. Robinhood Markets is an American financial services company which facilitates commission-free trades of stocks, exchange-traded funds and cryptocurrencies via a mobile app.

STEPS:

Register your email address using [my link above](#).

Download the app and enter the same email you've just registered with.

Do the quick KYC, which requires ID + selfie. It should verify in you in 5-10 minutes if you do everything correctly.

Deposit at least €30.

Your account will be credited with up to 1 BTC (98% gets €30, 2% more, up to 1 BTC).

You can sell your BTC reward for EUR after 6 months from the date it was granted and withdraw.

Optionally, you can earn an awesome [10% bonus on net buys](#) over first 30 days on the platform with maximum of €500 rewards per customer.

REMARKS:

To access the four quizzes for extra €9 you must transact volume of €20. You can freely do them after depositing €30 as required for the bonus.

10% bonus on net buys example: if you buy €650 worth of crypto over first 30 days, Robinhood

Crypto will add to your account another €65 in USDC.

Currently supported countries for the referral program: European Union member states.

Unsupported countries: Netherlands and Spain.
