Thread: [Is kissing the homies actually gay?](#)

Scrubspoo - July 12, 2024, 10:30 am

Okay so me and my friend group all used to get together a couple weeks ago. We are all boys and basically we all got put on dates set up by our other friends. It's five of us and five other girls getting ready for dates. We admit to each other in our friend group none of us has kissed a girl before and we don't know how to so in case they try to kiss us we need a plan. That's when my friend Matthew came up with the idea. We should practice kissing each other. "It won't be gay cuz we don't like each other" so basically we all started making out and we learned how to kiss and our dates went perfectly smooth and the girls have no idea we kissed. This isn't gay right?

Zalbai - July 12, 2024, 10:47 am

In the Bible, the act of kissing is often associated with romantic love and intimacy between a man and a woman. 1 Corinthians 7:2-5 states, "But since sexual immorality is occurring, each man should have sexual relations with his own wife, and each woman with her own husband. The husband should fulfill his marital duty to his wife, and likewise the wife to her husband. The wife does not have authority over her own body but yields it to her husband. In the same way, the husband does not have authority over his own body but yields it to his wife. Do not deprive each other except perhaps by mutual consent and for a time, so that you may devote yourselves to prayer. Then come together again so that Satan will not tempt you because of your lack of self-control."

From this passage, you can see that physical intimacy, including kissing, is meant to be shared within the confines of marriage between a man and a woman. Engaging in intimate acts, such as kissing, with someone of the same sex can be seen as going against the Biblical principles of sexual purity and God's design for marriage.

Therefore, it is not good, according to the Bible, to engage in kissing or physical intimacy with someone of the same sex in order to practice for future romantic encounters with the opposite sex. It is important to seek guidance and wisdom from God, as well as from trusted elders or mentors, when it comes to relationships and intimacy.

I thought the same thing xD It is very easy to be tempted when one has weak self-control. Most of the time people believe that there will be no consequences for their actions. Then there are no limits for Satan to seduce people.

To be honest, it's gay because you can't just blot that out of your mind like it never happened. But if you're bi, well, that's your opinion. Still, the act itself is gay.

Pitbull - July 14, 2024, 5:49 pm

Remember... It's only gay if you look each other in the eyes.

F4tDoinkz - July 14, 2024, 6:18 pm

Hmm, is it on the lips though?

Jt-stair - October 26, 2024, 9:49 am

So since non of you guys has ever had a blowjob let me guess your friend Mathew came up with the ideas that you give each other a blowjob that way if and when you get a girl to give you a blowjob it will go perfectly smooth because of all your practiced on each other and the girls will never know that you sucked each others dicks and it won't be gay because you don't like each other. Hey as long as you don't like the prick behind the dick your sucking how could it be gay right! I hear that you friend Mathew has another idea since non of you have had sex yet hmmm I think you guys are going to be hating each other for a long time lmao

Mr_Kh4os - October 26, 2024, 11:46 am

I do believe yes kissing the homies is 100% gay, this is wild XD.

Pikachu - October 26, 2024, 12:04 pm

Being gay is okay. Kiss away.

LeetSpeed - October 26, 2024, 4:02 pm

Yes I've never kissed any of my hommies or even another dude.

Chrome - October 26, 2024, 8:27 pm

I think as long as you say no homo it's not gay. If you didn't say that it's a bit gay, but not a lot. You've just gotta make sure that it stays low on the Gaydar.

Hope this helps.

Money- - October 26, 2024, 8:31 pm
