Thread: [What is the most amount of Hackman Eggs you have found in one week?](#)

BlackRock - July 13, 2024, 12:59 am

As the title says: What is the most amount of Hackúman Eggs you have found in one week?

Lyrarei - July 13, 2024, 1:00 am

If it's just finding alone through posts I guess around 5-6. Roughly 1-2 a day and sometimes there's just none.

Same! 5 to 6 just being active for a week. Just trying to be active most of the time whenever I procrastinate with work for the post count as it acts as a personal trophy also.

Five i think or maybe 6, when i was more active

Pr0m3th3us - July 13, 2024, 2:13 pm

I believe I got 6 out of about 200 posts
