Thread: [GIVING AWAY FREE BYTES !!! 200 AT A TIME](#)

Allelujah - July 14, 2024, 9:50 am

Giving away 200 bytes at a time to each member that needs it.

Please let me know a brief summary of why you deserve it, and I will send 200 bytes to you :D (I WILL CHOOSE ONCE A DAY AND THERE MAY BE NO WINNER)

Lets not get hung up on the details here!

I'm gonna need those 200 otherwise my fish will starve.

DashPHP - July 14, 2024, 10:19 am

That was pay
For my thread bumps!!

Slumerican ? - July 14, 2024, 10:41 am

You can send me 200 bytes because I am always here to help

Peffer - July 14, 2024, 11:22 am

I need to feed the girl next door to keep naked. So, throw me those bytes.

kinnu543 - July 14, 2024, 7:16 pm

I need bytes for getting referrals to some sites. Thanks for the give away

happygonutty - July 14, 2024, 7:50 pm

I need 200 bytes and the reason why is because....

Rahul007rhp - July 14, 2024, 11:31 pm

I love bytes more than my gf. God help those who helps other's so gimme those bytes

pr.account - July 15, 2024, 5:53 am

Hit a brother up! Would like to get some of the guides and stuff!

D707 - July 15, 2024, 8:47 pm

I need to gain more bytes to playing Blackjack. so, send me bro.

Eran - July 16, 2024, 3:48 am

Because I'm your fellow Warrior and a pro flipper.

Lifer999 - July 18, 2024, 11:06 pm

If you're still giving out bytes I could put them to some good use. Never enough bytes. Thank you

I mainly need them to unlock attachments.

RobinHoodxD - August 5, 2024, 8:52 pm

Wannn need those bytes cause iam new here?

Billy90 - August 6, 2024, 8:18 am

Thanks for doing this giveaway to help members out.

Lifer999 - August 7, 2024, 9:20 am

i always can appreciate more bytes to unlock links and recently i have started to use them to play some games. not a gambler. im a winner.

thrutl - August 8, 2024, 3:19 pm

I need 200 bytes to repair my lunar lander because the quantum entanglement module keeps malfunctioning every time I use it, which makes it communicate with a parallel universe, thus causing it to mistakenly receive GPS coordinates from an alternate reality where the Moon is inhabited by malicious and sentient jellyfish.

lewum - August 8, 2024, 11:56 pm

I need to download and unlock couple of attachments costing bytes each and I don't have enough. Thanks for your help.

PLONK - August 19, 2024, 1:54 pm

GIVE ME NOW!!!

res4x - August 26, 2024, 4:41 am

Hey man, I have information that i need and that costs bytes, if you give me ill be happy bro

lewum - September 13, 2024, 3:04 am

Would like to get some of the guides and stuff. Thanks.

ExodusX - January 13, 2025, 7:37 am

i usually need bytes for flipping, good luck everyone who is chosen...

Lifer999 - January 13, 2025, 4:45 pm

i m reaching out to submit my reason for the 200 bytes. i have learned alot from this website and there is so much more i want to learn but i find that the best info is solb by more bytes then i ever have in my account. i want to further my knowledge in cyber security but i feel like the more bytes i can spend to further my library the better. simple but honest. never enough bytes. thanks for your time
