XenforoBB - Introducing a XenForo-Style Theme for MyBB

Hello hackforums Community,

I am excited to share a new project I've been working on - a XenforoBB - XenForo-style theme for MyBB! I have just finished the index page and would love to get your feedback.

Preview:

Footer :

Features:Modern and responsive design

Customizable color schemes

User-friendly interface

Enhanced navigation menus

Optimized for performance

Compatible with the latest MyBB version

I am looking forward to your comments and suggestions. Stay tuned for more updates as I continue to develop this theme!

Best regards,
xferno

this looks really nice.
Actually very nice.
